MOTION TO CONTINUE PROCEEDING IN ABEYANCE

COMES NOW Wisconsin Central Ltd., Duluth, Winnipeg and Pacific Railway Company, and Duluth, Missabe and Iron Range Railway Company (collectively "CN"), and request that the Surface Transportation Board ("STB") continue in abeyance for a period of sixty (60) days any further proceedings on the Petitions to Revoke Exemptions (collectively "Petitions"), filed by United Transportation Union ("UTU") in the six referenced dockets. CN and UTU continue to work toward reaching an agreement as to the issues raised in UTU's Petitions, but have not yet reached agreement. UTU's counsel has granted the undersigned counsel authority to indicate UTU's concurrence with same.

In furtherance of this Motion, CN states as follows:

1. On June 14, 2007, CN filed Notices of Exemption governing six separate trackage rights agreements among several rail carriers owned and controlled by Canadian National Railway Company. Concurrently, CN filed a Motion for Protective Order in

each docket. The Motions for Protective Order were granted by order dated June 28, 2007, and each of the exemptions became effective on July 14, 2007.

2. On July 23, 2007, UTU filed the Petitions, seeking to have the six exemptions revoked on the allegation that the sole purpose of the exemptions was to circumvent existing collective bargaining agreements.

3. On August 15, 2007, the STB entered an order granting the joint motion of CN and UTU to hold the consideration of UTU's Petitions in abeyance for a period of sixty (60) days, to allow the parties to attempt to negotiate an amicable resolution.

4. Subsequent to the entry of the August 15, 2007 order, CN and UTU engaged in discussions regarding the implementation of the authority granted in the exemptions. However, no agreement was reached, and therefore the STB entered an order on October 11, 2007, granting a joint motion to continue the date for CN's responses to December 14, 2007.

5. The parties further requested an additional sixty (60) days to reach an agreement. The STB granted this extension of time. That sixty (60) day period ended on February 12, 2008.

6. The parties then requested an additional sixty (60) days to reach an agreement. By STB Decision dated February 14, 2008, the extension was granted and that sixty (60) day period will end on April 14, 2008.

7. The parties have still not reached any agreement on the matters raised by UTU in these dockets. However, the parties have agreed to continue to work toward an agreement over the next sixty (60) days. Therefore, by mutual agreement, the parties

move the STB to enter an order extending the response date for CN to UTU's Petitions for an additional sixty (60) days. to June 13, 2008.

8. Counsel for UTU has granted the undersigned counsel authority to indicate UTU's concurrence with same.

WHEREFORE, Wisconsin Central Ltd., Duluth, Winnipeg and Pacific Railway Company, and Duluth, Missabe and Iron Range Railway Company respectfully request that the STB hold consideration of UTU's Petitions in abeyance for an additional period of sixty (60) days while the parties meet to reach an agreement.

Respectfully submitted,
